- 24 (Tues)-Open Gym 7:00-10:00 am (Aux Gym)

July****

* Physical night will be held on May 1st. We will end early to encourage all athletes to participate and get their physicals done early. Please, pay the school banker in advance.

** **Thunder Skills Basketball Camp** is \$100 per athlete. All proceeds go to the basketball program. Each athlete will receive a shirt. 9-12 graders should expect to spend the afternoon helping our younger campers. Lunch will be provided between sessions.

*** The number of teams/levels will be determined by the number of participants signed up. Lack of participation will result in cancellation of tournaments/camps and open gym will be held if gym space is available. **Utah Tech Camp** is \$185 a person. Athletes will transport themselves to and from campus and are responsible for their own meals. **(5 Games) Nets On Fire Summer Showdown. (5 Games) \$50** a player.

****No workouts will be held in July. We encourage everyone to consistently work on their skills and improve their game. We may not be in the gym as a team but we look forward to seeing your skill growth when we get back into it.
