

What is **GOLD RUSH?**

The Gold Rush campaign at DHHS is a campus wide yearly community service project. This school year, we hope to raise \$20,000 for one of our own DHHS families.

About the Slack Family:

Ryan and Steph Slack of St. George, Utah, are parents to Riley (17), Graham (12), and Quincy (10). Steph works at Crimson View Elementary, and their family has already faced significant medical challenges, including the loss of their oldest son, Dylan, in 2010 and Riley's ongoing battle with a rare genetic disorder called ataxia-telangiectasia (A-T), which requires a power wheelchair and specialized care. In July, Steph suffered an unexpected seizure that led to the discovery of a brain tumor, and following surgery in September, she was diagnosed with grade 3 brain cancer. With radiation and chemotherapy ahead, the Slack family is facing another difficult chapter and would be incredibly grateful for the support of their community.
